BAPTISM... I have had a lot of enquiries recently for Baptism. Please in the first instance approach Father Ben or Deacon Barry and they will instruct you of the next stage.

DONATIONS AND GIVING - It would be very much appreciated if all who have switched your method of making donations from cash to standing order or bank transfer during the period of lock-down, would continue with this method. The job of sorting, counting and banking the collection is onerous and for the last year we simply haven't had the support. Even in "normal" times it is an onerous burden on a small group of parishioners. The simple switch from cash giving to direct bank transfer saves all of this. If you are unable to donate by direct bank transfer but can donate by cheque, then please would you consider switching to a monthly cheque. If cash is the only way you are able to donate, please do carry on donating, we are so very grateful for all donations.

righttolife.org.uk **25th** - *"This Tuesday marks 53 years since the 1967 Abortion Act came into effect. As we hope and pray for an end to abortion, we pray especially for our Government, that their commitment to support pregnant women and their families would increase, and that they would anchor themselves in the desire to protect all human life. Lord hear us"*
