REFUGEES AT HOME - LOOKING FOR HOSTS - The Refugees at Home network is in desperate need of new hosts within commutable distance of Bournemouth to join their short-term hosting scheme. Refugees at Home connects people with a spare room to refugees and asylum seekers in need of somewhere to stay.

We recruit and support volunteer hosts who are willing to offer a temporary home and a helping hand. Our role is to carefully match each guest and host, to assess and prepare them ready for hosting, to advise on hosting arrangements and accommodation, and to provide ongoing support to hosts throughout each stay.

Each placement is different, and the length of hosting can vary from a few nights to several months and anything in between.

Hosting is entirely altruistic, and we do not pay hosts for giving up their spare rooms.

We are always looking for new hosts with a spare room or two, in cities and towns that are well connected and have good public transport systems. This enables our guests to travel to college, school, support groups or jobs, and retain their independence.

Please refer to our website for further information on becoming a host: <https://refugeesathome.org/get-involved/id-like-to-host/>
