ANNUNCIATION CHURCH PROJECT - At long last we have been given the approval for work to commence at the Annunciation Church on three specific areas. After applying for Faculties due to the Annunciation being a 2* Listed Building, the Architect then drew up a specification of works which has now been tendered and the final permission granted by the Diocese for work to begin. The project which follows on from the major outside restoration project will include the decoration of the interior of the Church, the construction of a disability toilet with baby changing facilities alongside a standard toilet at the rear of the church. The third part of the project is the upgrade to the handrail in the Choir gallery to comply with health and safety regulations. The whole project will obviously cause some upheaval and the church will be closed for 6-8 weeks with No access. Sunday Masses will take place in the Church Hall and all weekday Masses will take place at St Edmund Campion Church. A more specific timetable will be published once contractors have agreed a work schedule.
