TRIATHLON AND BROWNSEA ISLAND SWIM for the Annunciation Church Boiler Fund. This year I am taking on a personal challenge to help raise funds for a new boiler for our parish church. To support this important project, I will be completing a Swanage triathlon end of June and swimming around Brownsea Island mid of September. These events will test my endurance and determination, but they are nothing compared to the importance of keeping our church warm, welcoming, and available to everyone in our community. Our parish church has been at the heart of our community for many years, providing a welcoming place for worship, prayer, fellowship, celebration and support. It serves people of all ages throughout the year, but our current boiler has reached the end of its life and needs to be replaced. Without a reliable heating system, it becomes increasingly difficult to provide a comfortable environment for services, community events, and parish activities. The cost of a replacement boiler is significant, and I am asking for your support as I take on those challenges. Every donation, large or small, will help us move closer to our goal and ensure that the church remains a welcoming home for our parish community. Please consider sponsoring me as I swim around Brownsea Island and complete my triathlon challenge. Your generosity will make a real difference. <https://www.justgiving.com/crowdfunding/monika-devassy>
